

History of Great Hope

Great Hope began as a dream in the heart of Pastor and Carolyn in the late 1990's. Beginning in 2000, they made a prayerful survey of several areas in which to plant a new church. God's leadership and blessing were evident as He led them to Chester County, the fastest growing county in Pennsylvania.

Commissioned and sent out from the Valley Forge Baptist Temple in Collegeville, PA, Great Hope's held her first service on September 24, 2000. Meeting in the band room of the North Brandywine Middle School, the church experienced God's blessing and soon outgrew that room.

After meeting in the school for over 6 years, God opened the door to the new location in Glenmoore. God's people prayed, and God answered tremendously by moving the church from the school to its present location.

As we look at the past and are reminded what God has done, we thank Him for His goodness upon us. We also fully expect God to continue to glorify Himself as He works in, and through, His people at Great Hope Baptist Church.
