

Our History

The story of Great Hope began as a dream in the heart of Pastor and Carolyn in the late 1990's. Beginning in 1999, they made a prayerful survey of several areas in which to plant a new church. God's leadership and blessing were evident as He led them to Chester County, the fastest growing county in Pennsylvania.

Great Hope's held her first service on September 24, 2000. Meeting in the North Brandywine Middle School, the church experienced God's blessing as people were saved, baptized, and added to the church.

After meeting in the school for over 6 years, God opened the door to the new location in Honey Brook. God's people prayed, and God met the need of the day. On the opening day of our new location, July 1, 2007, God allowed us to add Pastor Hughes as an associate pastor.

As we look at the past and are reminded what God has done, we thank Him for His goodness upon us. We also fully expect God to continue to glorify Himself as He works in, and through, His people at Great Hope Baptist Church.
